# COURSES

## Theoretical Courses and Demonstration Room Practices

### Nursing:

**Course title:** Medical latin language and terminology II.

**Language of instruction:** English

**Form of teaching:** demonstration room practice

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** Spring

**Credits (ECTS):** 2

**Lecturer:** To be announced

**Course title:** Anatomy II.

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** Spring

**Credits (ECTS):** 3

**Lecturer:** To be announced

**Course title:** Physiology, pathophysiology II.

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** Spring

**Credits (ECTS):** 3

**Lecturer:** To be announced

**Course title:** Nursing I.

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Nursing I. practice

**Language of instruction:** English

**Form of teaching:** demonstration room practice

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** total of 30 hours

**Semester:** Spring

**Credits (ECTS):** 4

**Lecturer:** To be announced

**Course title:** Dietetics I.

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 2

**Lecturer:** To be announced

**Course title:** Neurology (clinical neurology theory)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Neurology (nursing theory)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Neurology (nursing practice)  
**Language of instruction:** English  
**Form of teaching:** demonstration room practice  
**Form of assessment:** practice exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** Spring  
**Credits (ECTS):** 2  
**Lecturer:** To be announced

**Course title:** Obstetrics and gynecology I. (obstetrics and gynecology clinical theory)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** term exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** Spring  
**Credits (ECTS):** 1  
**Lecturer:** To be announced

**Course title:** Obstetrics and gynecology I. (nursing theory)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** term exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** Spring  
**Credits (ECTS):** 2  
**Lecturer:** To be announced

**Course title:** Obstetrics and gynecology I. (nursing practice)  
**Language of instruction:** English  
**Form of teaching:** demonstration room practice  
**Form of assessment:** practice exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** Spring  
**Credits (ECTS):** 4  
**Lecturer:** To be announced

**Course title:** Infant medicine and pediatrics I. (infant medicine and pediatrics clinical theory)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** term exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** Spring  
**Credits (ECTS):** 1  
**Lecturer:** To be announced

**Course title:** Infant medicine and pediatrics I. (nursing theory)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** term exam  
**Minimum number of students:** 1  
**Class hours per week:** total of 7 hours  
**Semester:** Spring  
**Credits (ECTS):** 1  
**Lecturer:** To be announced

**Course title:** Psychiatry I. (psychiatry clinical theory)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** term exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** Spring  
**Credits (ECTS):** 1  
**Lecturer:** To be announced

**Course title:** Psychiatry I. (nursing theory)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** term exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** Spring  
**Credits (ECTS):** 1  
**Lecturer:** To be announced

**Course title:** Psychiatry I. (nursing practice)  
**Language of instruction:** English  
**Form of teaching:** demonstration room practice  
**Form of assessment:** practice exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** Spring  
**Credits (ECTS):** 3  
**Lecturer:** To be announced

**Course title:** Research methodology and biostatistics II. (biostatistics)  
**Language of instruction:** English  
**Form of teaching:** demonstration room practice  
**Form of assessment:** term exam  
**Minimum number of students:** 1  
**Class hours per week:** 2  
**Semester:** Spring  
**Credits (ECTS):** 2

**Lecturer:** To be announced

**Course title:** Oncology (oncology clinical theory)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** total of 10 hours

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Oncology (nursing theory)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** total of 10 hours

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Applied management II. (health care management, quality assurance)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Nursing skills III. (nursing models in practice)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** total of 7 hours

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Nursing skills III. (nursing models in practice-practice)

**Language of instruction:** English

**Form of teaching:** demonstration room practice

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

## Physiotherapy:

**Course title:** Neurology (topic: Neurological Diseases)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 2

**Lecturer:** To be announced

**Course title:** Physiotherapy IV. (topic: Physiotherapy of Neurological and Psychiatric Diseases, Neurology Physiotherapy)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Physiotherapy IV. (topic: Physiotherapy of Neurological and Psychiatric Diseases, Neurology Physiotherapy practice)

**Language of instruction:** English

**Form of teaching:** demonstration room practice

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 2

**Lecturer:** To be announced

**Course title:** Psychiatry I. (topic: Psychiatric Diseases)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Physiotherapy V. (topic: Physiotherapy of Neurological and Psychiatric Diseases, Psychiatry Physiotherapy)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Physiotherapy V. (topic: Physiotherapy of Neurological and Psychiatric Diseases, Psychiatry Physiotherapy practice)

**Language of instruction:** English

**Form of teaching:** demonstration room practice

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Surgery I. (topic: Traumatology, Surgery)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Physiotherapy VI. (topic: Physiotherapy of Locomotors Diseases, Traumatology Physiotherapy)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** comprehensive and practice exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Physiotherapy VI. . (topic: Physiotherapy of Locomotors Diseases, Traumatology Physiotherapy practice)

**Language of instruction:** English

**Form of teaching:** demonstration room practice

**Form of assessment:** comprehensive and practice exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** Spring

**Credits (ECTS):** 2

**Lecturer:** To be announced

**Course title:** Physiotherapy VII. (topic: Physiotherapy of Locomotors Diseases, Physiotherapy of Surgery)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Physiotherapy VII. (topic: Physiotherapy of Locomotors Diseases, Physiotherapy of Surgery practice)

**Language of instruction:** English

**Form of teaching:** demonstration room practice

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Orthopaedics I. (topic: Locomotors Diseases)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Physiotherapy VIII. (topic: Physiotherapy of Locomotor Diseases, Physiotherapy of Orthopaedics)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** comprehensive and practice exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Physiotherapy VIII. (topic: Physiotherapy of Locomotor Diseases, Physiotherapy of Orthopaedics practice)

**Language of instruction:** English

**Form of teaching:** demonstration room practice

**Form of assessment:** comprehensive and practice exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 2

**Lecturer:** To be announced

**Course title:** Movement and massage therapy V. (topic: Physiotherapy of Neurological and Psychiatric Diseases)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Movement and massage therapy V. (topic: Physiotherapy of Neurological and Psychiatric Diseases practice)

**Language of instruction:** English

**Form of teaching:** demonstration room practice

**Form of assessment:** practice exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** Spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Clinical search methods and biostatistics II.

**Language of instruction:** English

**Form of teaching:** demonstration room practice

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** Spring

**Credits (ECTS):** 2

**Lecturer:** To be announced

## Midwifery:

**Course title:** Health Education - Health Promotion I. (health education-health promotion)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** written exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** spring

**Credits (ECTS):** 3

**Lecturer:** To be announced

**Course title:** Medical latin language and terminology II. (medical latin)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** written exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** spring

**Credits (ECTS):** 2

**Lecturer:** To be announced

**Course title:** IT in Health Care II. (health informatics)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** practical exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** spring

**Credits (ECTS):** 3

**Lecturer:** To be announced

**Course title:** Nursing skills I. (general nursing skills)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Nursing skills I. (general nursing skills practice)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** practical exam  
**Minimum number of students:** 1  
**Class hours per week:** 2  
**Semester:** spring  
**Credits (ECTS):** 4  
**Lecturer:** To be announced

**Course title:** Health psychology I. (personal psychology, social psychology, psychology of an ill patient, psychology of ages)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** term exam  
**Minimum number of students:** 1  
**Class hours per week:** 2  
**Semester:** spring  
**Credits (ECTS):** 2  
**Lecturer:** To be announced

**Course title:** Personal and communicational development I. (personal and communicational developmental group training)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** practical exam  
**Minimum number of students:** 1  
**Class hours per week:** 2  
**Semester:** spring  
**Credits (ECTS):** 2  
**Lecturer:** To be announced

**Course title:** Dietetics I. (general dietetics)  
**Language of instruction:** English  
**Form of teaching:** practice  
**Form of assessment:** written exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** spring  
**Credits (ECTS):** 2  
**Lecturer:** To be announced

**Course title:** Health Sociology II. (health sociology)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** written exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** spring  
**Credits (ECTS):** 1  
**Lecturer:** To be announced

**Course title:** Ethics in Health Sciences I. (ethics in health care)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** written exam  
**Minimum number of students:** 1  
**Class hours per week:** 2  
**Semester:** spring  
**Credits (ECTS):** 2  
**Lecturer:** To be announced

**Course title:** Safety at workprevention (work protection, fire protection)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** written exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** spring  
**Credits (ECTS):** 1  
**Lecturer:** To be announced

**Course title:** History of Health Sciences I. (history of patient care)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** written exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** spring  
**Credits (ECTS):** 1  
**Lecturer:** To be announced

**Course title:** Anatomy II. (anatomy)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** oral exam/written exam  
**Minimum number of students:** 1  
**Class hours per week:** 2  
**Semester:** spring  
**Credits (ECTS):** 3  
**Lecturer:** To be announced

**Course title:** Physiology, pathophysiology II. (physiology, pathophysiology)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** oral exam/written exam  
**Minimum number of students:** 1  
**Class hours per week:** 2  
**Semester:** spring  
**Credits (ECTS):** 3  
**Lecturer:** To be announced

**Course title:** Clinical knowledges II. (dermatology, orthopaedics)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** oral exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** spring  
**Credits (ECTS):** 2  
**Lecturer:** To be announced

**Course title:** Transfusiology (transfusiology)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** written exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** spring  
**Credits (ECTS):** 2  
**Lecturer:** To be announced

**Course title:** Transfusiology (transfusiology practice)  
**Language of instruction:** English  
**Form of teaching:** practice  
**Form of assessment:** written exam  
**Minimum number of students:** 1  
**Class hours per week:** 1  
**Semester:** spring  
**Credits (ECTS):** 3  
**Lecturer:** To be announced

**Course title:** Obstetrics and gynaecology III. (preparation for pregnancy and childbirth, rooming-in, childbed) /Obstetrics and gynaecology nursing theory III)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** oral exam  
**Minimum number of students:** 1  
**Class hours per week:** 2  
**Semester:** spring  
**Credits (ECTS):** 2  
**Lecturer:** To be announced

**Course title:** Obstetrics and gynaecology III. (preparation for pregnancy and childbirth, rooming-in, childbed) /Obstetrics and gynaecology nursing theory III practice)  
**Language of instruction:** English  
**Form of teaching:** lecture  
**Form of assessment:** practical exam  
**Minimum number of students:** 1  
**Class hours per week:** 4  
**Semester:** spring  
**Credits (ECTS):** 4  
**Lecturer:** To be announced

**Course title:** Obstetrics and gynaecology III. (preparation for pregnancy and childbirth, rooming-in, childbed) /Obstetrics III.)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** oral exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** spring

**Credits (ECTS):** 1

**Lecturer:** To be announced

**Course title:** Obstetrics and gynaecology III. (preparation for pregnancy and childbirth, rooming-in, childbed) /Obstetrics III. practice)

**Language of instruction:** English

**Form of teaching:** practice

**Form of assessment:** practical exam

**Minimum number of students:** 1

**Class hours per week:** 4

**Semester:** spring

**Credits (ECTS):** 4

**Lecturer:** To be announced

**Course title:** Obstetrics and gynaecology III. (preparation for pregnancy and childbirth, rooming-in, childbed) /Gynaecology III.)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** spring

**Credits (ECTS):** 3

**Lecturer:** To be announced

**Course title:** Obstetrics and gynaecology III. (preparation for pregnancy and childbirth, rooming-in, childbed) y/Gynaecology III. practice)

**Language of instruction:** English

**Form of teaching:** practice

**Form of assessment:** practical exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** spring

**Credits (ECTS):** 4

**Lecturer:** To be announced

**Course title:** Obstetrics and gynaecology IV. (specialty wards for placental pathology and gynaecology, family protection services practice /Obstetrics IV)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** term exam

**Minimum number of students:** 1

**Class hours per week:** 1

**Semester:** spring

**Credits (ECTS):** 2

**Lecturer:** To be announced

**Course title:** Obstetrics and gynaecology IV. (specialty wards for placental pathology and gynaecology, family protection services) /Obstetrics IV practice)

**Language of instruction:** English

**Form of teaching:** practice

**Form of assessment:** written exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** spring

**Credits (ECTS):** 3

**Lecturer:** To be announced

**Course title:** Research methodology and biostatistics II. (ik: biostatistics)

**Language of instruction:** English

**Form of teaching:** lecture

**Form of assessment:** written exam

**Minimum number of students:** 1

**Class hours per week:** 2

**Semester:** spring

**Credits (ECTS):** 2

**Lecturer:** To be announced

## Sport, recreation and physical activity

**Course title:** Table Tennis (Pécs)

**Credits(ECTS):** 4

**Semester:** spring/autumn

**Course language:** en

**Course title:** Basketball ( Pécs)

**Credits(ECTS):**4

**Semester:** spring

**Course language:** en

**Course title:** Martial Arts (Pécs)

**Credits(ECTS):** 4

**Semester:** spring

**Course language:** en

**Course title:** Volleyball (Pécs)

**Credits(ECTS):** 4

**Semester:** spring

**Course language:** en

**Course title:** Swimming

**Credits(ECTS):** 2

**Semester:** spring

**Course language:** en
